

June 2025 WPE Portfolio Grid Notes

The Spirit of Play

	Lents	Brown	Koeners & Francis
What is play?			
How do animals play			
How is play an aspect of childhood?			
Why do human adults play?			
How is play relevant to human adults?			

This is not an outline for an essay. It is a useful tool for organizing your thoughts and materials. To use the form, put the page number of the sentences or quotations into an appropriate cell. Then, working one row at a time, you will be able to identify the ways that the sources intersect with or disagree with each other. Doing this will help you to form paragraphs that are about the commonalities and differences between the readings.
